Lea Thompson – Age 61

You may remember Lea Thompson from *Back to the Future* or perhaps a more recent role like starring in *Little Women* or *Over The Hill*. Whenever we look at Lea, her look reveals a beautiful natural glow. According to an interview with the *Chicago Sun-Times* in 2014, she doesn't smoke or drink while keeping her beauty treatments simple, and it sure is working.

Fans saw Lea playing a small part in the hit series *The Goldbergs* during 2020 while she also starred in *Dinner in America* while looking great. We're also looking forward to her upcoming comedy *Mark, Mary & Some Other People*, scheduled for a 2021 release.

Demi Moore – Age 60

When the green-eyed brunette Demi Moore first appeared in the movies, she captivated viewers with more than just her stunning appearance. After all, she was one of the most talented actresses of the '80s. It's no wonder that, by 1996, Moore was getting a record \$12.5 million deal to star in an Andrew Bergman movie.

Erika Eleniak – Age 53

It takes a special lady to rock the red swimsuit in the Baywatch TV series, especially considering people like Pamela Anderson and David Hasselhoff were also part of the cast. But to the stunning Erika Eleniak, being among the world’s hunkiest actors wasn’t intimidating at all; in fact, it felt natural.
